

# Access to Green Belt or Open Space

1. Residents must request access to the green belt or open space in writing from the Triview Metropolitan District's Board of Directors.
2. The Board will respond to the request in writing.
3. Residents are responsible for any and all restoration of the green belt or open space to its original condition.
4. Upon completion of the access, the Operations **Superintendent** or District Manager will sign off on the restoration.

## Failure to Request Access Prior to Entry

1. Written **and/or verbal** notice will be sent by certified mail to the resident requesting that the encroachment cease immediately.
2. **Violations could result in a \$500 fine.**
3. Restoration will be done by the District and billed to the resident.
